REGISTRATION & REFUNDS

Registrations are taken on a first come, first served basis, and are not confirmed until registration and payment is completed online. Space is limited, so we strongly recommend registering as early as possible.

Classes may be cancelled due to insufficient enrollment. A complete refund will be issued if this occurs.

If you need to cancel a registration, you must do so at least 48 hours in advance to receive a refund (minus a \$10.00 processing fee). Cancellations received less than 48 hours prior to the program date are not refundable. If possible and sufficient class space is available, registration may be transferred to another date.

Promotional codes, for online registration, are assigned and are intended for use by pre-designated users only. Registrants found to have used unauthorized promotional codes will be required to pay full course fees or have registration cancelled.

ACCREDITATION
